

New England Addison's Disease Support Group

Gary Kracoff, NMD, Reg. Pharm, a registered pharmacist with a doctorate in Naturopathic Medicine will discuss the immune system.

He currently works at Johnson Compounding & Wellness Center in Waltham. He will not be advising us on treating our Addison's Disease, but rather focusing on the "why" and how we might better optimize our health.

**Saturday, February 13, 2010
1:00-4:00 pm**

**Watertown Savings Bank Room at the
Watertown Free Public Library
123 Main Street, Watertown, MA**
