

INSTRUCTIONS FOR THE EMERGENCY CARE COVER LETTER AND INSTRUCTION SHEETS

Dear Adrenal Insufficient (AI) Patient or AI Caregivers/Guardians:

The NADF Emergency Care cover letter and instruction sheets are meant to be:

1. personalized with the AI patient's information
2. multiple copies made
3. distributed to any and all emergency care facilities, both stationary and mobile, located in the AI patient's residential area.

We also suggest that copies be kept in purses/wallets, cars, work desks and at home. These sheets could help emergency healthcare providers save your or your loved one's life.
