

## NADF SURVEY RESULTS HYDROCORTISONE AVAILABILITY

---

### Your feedback is important to us!

Please fill out NADF's survey on your experience with COVID-19 and hydrocortisone availability.

<https://www.surveymonkey.com/r/W2NQSM>

---

Sharing a summary of the survey results related to hydrocortisone availability

- 33.5% indicate they've had a problem receiving their medication; 71% indicating a backorder. Greenstone 5mg had the highest rating for unavailable, followed by Greenstone 10mg. Most indicated Greenstone was replaced with Vensun.
- For those that had to replace their usual brand, 85% indicate the replacement was as good as their usual medication.
- 74% indicate they are worried about future shortages.

*NOTE: Results are based on 198 responses as of July 1, 2020*

*We are monitoring the situation closely but need to hear from you. If you haven't done so already, please take the short NADF survey on COVID-19 and Hydrocortisone availability.*
